This Workmanship Warranty covers all Arizon pre-wired boards and systems for a period of 5 years from the date of purchase. It applies to defects arising from our workmanship, including the design and wiring of the system. Should you encounter any faults attributable to our workmanship during this period, we will repair or replace, at our discretion, any faulty parts due to faulty workmanship or material defects.

Please note the following exclusions from this warranty:

Regular wear and tear, or damage due to mishandling, improper installation or usage, accidents, or natural disasters.

Any modifications, alterations, or repair attempts made by anyone other than Arizon authorized personnel.

Importantly, this Workmanship Warranty pertains solely to our workmanship. The individual components used within the system, such as inverters, batteries, and other products, each come with their respective manufacturer's warranty.

Product-specific concerns should be referred directly to the relevant manufacturer under their terms of warranty.
